

Solano RCD, Dixon RCD, Community Alliance with Family Farmers (CAFF)/ Farmers Guild, and NRCS invite you to a Cover Crop Field Day

Wednesday, February 27, 2019 • 9:30 - 11:30 am

Stevenson Bridge Rd, Winters, CA 95694 (Detailed directions provided with RSVP)

Join Us For:

- A facilitated panel discussion and open Q & A session with Solano County growers currently using cover crops
- Field tour of almond orchard with different types of cover crop (erosion mix, brassicas, and wildflowers)
- Presentation about species mix selection by Kamprath Seeds

Featured Topics:

- Potential benefits of cover crops
- Considerations for managing cover crops: timing, site prep, planting, weed control, irrigation, termination, re-seeding
- Targeting species mix for management goals
- Managing existing weed growth as a cover crop
- Effects on nitrogen budgets and nutrient management
- Effects on water budgets: infiltration improvements, water use by cover crops
- Experienced growers' perspectives: challenges and successes, lessons learned

Light Refreshments provided.

CEU credits for nitrogen management plan self-certification applied for & pending approval.

RSVP REQUIRED: www.dixonrcd.org/copy-of-workshops-events-calendar OR
